## **NEWSLETTER OF THE ST GEORGE ALPINE CLUB**

**June 2019**

---

## **Greetings**

Welcome to the 2019 ski season from the Board of St George Alpine Club. The season is off to a good start and here's hoping this year is another bumper one around the snowfields.

---

## **Current Board Members and Booking Officer**

- Keith Monaghan (President)
- Graham Grigg (Secretary)
- Chris Boseley (Treasurer)
- Matthew Boseley (Accommodation Director)
- Bob Philp (Membership Director)
- Phill Boseley (Board Member)
- Juha Sillan (Board Member)
- Mark Wong (Board Member)
- Karen Johnson (Booking Officer)

---

## **AGM**

The AGM proceeded as planned on the 16<sup>th</sup> May at Hurstville. The Board was re-elected for another year. Updates were given on the status of the lodges. 2018 saw an increase in usage at both lodges, and the bookings for 2019 are continuing the trend and are already looking quite healthy. More members are using Hotham year on year with fewer external bookings.

Financially the club remains in a healthy state and the financial administration has seen a step change thanks to Chris Boseley, Phill Boseley and Graham Grigg with the software updates to the website, booking system and financial software integration.

The club continues to support its members through ski scholarships which were awarded to 5 candidates this year; Cooper Laing, Jade Barlow, Lilly McFadden, Jemma Watson & Oscar O'Neill.

## Bookings

---

Instructions for using the new booking system are available on the website, under the Documents page.

If you use the system and find any issues with it, please endeavour to take a screen dump (screenshot) and send it, with a description of what you were trying to do, to the Secretary. If there is a problem with the website, we will refer it to the developers and get it fixed. Helpful information includes the operating system, browser and platform you were using at the time (e.g. Windows 10, Google Chrome, PC).

The booking officer, Karen Johnson, is overseas, in the UK, for the next few weeks. Her primary contact will be through email on [bookings@stgeorgealpine.com.au](mailto:bookings@stgeorgealpine.com.au). Your patience when corresponding with Karen during this time is appreciated due to significant time zone differences. For urgent issues, please contact the Secretary, [secretary@stgeorgealpine.com.au](mailto:secretary@stgeorgealpine.com.au)

## Leaving Earlier than Expected?

---

If you're leaving before your scheduled departure date, it is *imperative* that you let the Booking Officer know as there is almost always a waiting list for those days. Filling the vacated accommodation improves the usage of the lodges by our members and allows more people to enjoy the snow.

Just a reminder that you must clean your room, before you leave. There should be cleaning products in your room for this purpose. If more is required, supplies are in the cupboards over the ovens.

!

# Lodge Maintenance

---

## Jindabyne

**On-site management** is contracted to **Lois Merriman** who is located in Jindabyne (not at the Lodge). Her telephone number is **(02) 6457 2337**. Contact Lois if you have any problems such as damage to the Lodge, breakdown of equipment, lost keys, etc., if the Lodge Captain cannot assist.

- New blinds will be installed in the month of June with the lodge professionally cleaned thereafter.
- The bathroom ceilings have been painted recently.
- The phone line has been removed from the lodge. It was no longer being used, especially with the prevalence of mobile phones, and therefore an unwarranted expense.
- Construction of the new deck on the Northern side of the lodge is still awaiting approval and the selection of a contractor. It is proposed to extend out the width of the current bridge and run back to the rear corner of the lodge, an area of approx..3.5 x 5.5 metres.
- Quotes are still being obtained for repairs to the fascia boards.
- A study is be undertaken into the lighting in the halls and common areas with a view to replacing them with LEDs.
- We are aware of some lights in the main living area not working. Unfortunately, the fittings are old, beyond repair, and no longer available. To fix these, and maintain a common look, we will need to replace all the lights with current models. We are currently investigating availability and cost.

## Hotham

- Likewise, Hotham lodge will have a pre-season clean the week of the 3<sup>rd</sup> June.
- The stove has been replaced yet again. This is the 3<sup>rd</sup> time over the last few years. Members are reminded to take care of the appliances and furnishings of the lodges.

## Memberships for Sale

---

If you wish to enquire about the purchase of A, B or C memberships, please contact Bob Philp on 0448 983 022.

Likewise, if you wish to sell your membership, please contact Bob Philp as there are people waiting to purchase memberships of our club.

## REMINDERS

---

### Duty Roster

A duty roster is located on the inside of each bedroom door and the Noticeboard near the kitchen. Please co-operate by doing the daily “chores” allocated to you. Garbage bins need to be put out on certain nights for collection (check the Noticeboard). It is preferable to totally fill one garbage at a time to minimize collection costs.

### Consideration for Other Patrons

All common areas are available for all patrons, and all patrons should be sensitive to the needs of others.

Keep noise to a minimum, particularly at night and early in the morning (not everyone wants to get up at 5am and get to the first lift of the day!). If you have been out partying at the local clubs or hotels, and you are coming home very late, please be aware that any sound made at late hours will carry throughout the entire lodge, especially if using kitchen appliances.

Non-paying guests may visit you in the common areas, but are not permitted to stay overnight. Patrons are responsible for the behaviour of their guests (including paying for any damage they may cause).

### Lodge Captain

He/she represents the Club's management. If you require assistance or advice, or you would like to make a suggestion or complaint, please see him/her. Remember that he/she is also on holidays like you.

The Lodge Captain (after notifying the Accommodation Director of the Club) is empowered to take any necessary action to ensure the proper running of the Lodge.

### Before Departure

Advise the Lodge Captain if you are departing early.

Clean, vacuum and tidy your room and ensuite, and the spaces you used in the refrigerator, freezers and kitchen cupboards etc.

Fill out the Register next to the front door and leave the room key in the door lock.

If you are the last out of the Lodge, ensure all internal bins are emptied.

Ensure all windows and doors are locked (this is also important during your stay!).

## PERISHER (extracted from Perisher.com.au)

*New Leichhardt Quad Chairlift - Ready For Opening - 05 June 2019*

Big news at Perisher is the opening of the new \$4.2million dollar Leichhardt quad chair on the 5<sup>th</sup> June.

Perisher resort opened on the 31<sup>st</sup> May this year with a dump of 75cm kicking things off. The remaining resorts of Blue Cow, Guthega and Smiggins are expected to open runs on Saturday 8<sup>th</sup> June in time for the Queen's long weekend.

For those more adventurous, the Perisher website was advertising the Snowy Mountains Backcountry service, as described below.

With headquarters in the Guthega Village and founded on 20 years of guiding experience, the crew at Snowy Mountains Backcountry will take you into the Australian Main Range sharing their deep passion for adventure with you.

Tour into the majestic Australian main range, take in the beautiful sights and ski or ride some of the best terrain on offer! Snowy Mountains Backcountry offers a wide variety of tours catering for a broad range of skill levels, allowing you to pick the tour that suits you.

The Epic Australia Pass this year also includes Falls Creek and Hotham resorts which were acquired by Vail Resorts earlier this year. This can be very attractive for those wishing to use both the lodges. Below is a reminder of the benefits advertised by Perisher for their Epic Australia Pass

With your Epic Australia Pass you will enjoy:

- Unlimited, unrestricted access to **Perisher** in the 2019 season
- **New!** Unlimited, unrestricted access to **Falls Creek** in the 2019 season.
- **New!** Unlimited, unrestricted access to **Hotham** in the 2019 season.
- **New!** Five consecutive days with no blackout dates at **Rusutsu**, Japan for the 2019 – 2020 season.
- Five consecutive days with no blackout dates at **Hakuba Valley**, Japan for the 2019 - 2020 season.
- Access to **Breckenridge** and **Keystone** in Colorado; **Park City** in Utah; **Heavenly**, **Northstar** and **Kirkwood** in Lake Tahoe, California and **Stowe** in Vermont in the 2019 - 2020 season (*holiday restrictions apply*).
- 10 days combined at **Whistler Blackcomb**, **Vail** and **Beaver Creek** in the 2019 - 2020 season (*holiday restrictions apply; days do not have to be consecutive*).
- Unlimited, unrestricted access to **Okemo**, **Mount Sunapee**, **Crested Butte** and **Stevens Pass** in the 2019 - 2020 season

Thredbo is opening on the weekend of the 8<sup>th</sup> June and is also seeing a lot of snowfall during the preceding week. Thredbo is also on the cusp of investing in a gondola to replace the Merritts chair.

Similar to Perisher, Thredbo also advertises backcountry tours.

### Thredbo Backcountry Tours Supported by The North Face

Looking for a new adventure on your skis or board? This winter, enjoy a guided Backcountry Tour outside of the resort boundaries, where you'll not only learn important backcountry safety skills but also ski and board some incredible and unique terrain.

# Holy Bowly First for Thredbo

THREDBO will introduce an exciting new event this season when Holy Bowly makes its debut down under from 9-15 September.

The legendary Holy Bowly has been a smash hit for snowboarders in the Northern Hemisphere and now the event arrives in Thredbo for the biggest and coolest snowboarding event to ever grace the Southern Hemisphere slopes.

For one entire week the world's best snowboarders will compete in this insane new style snowboarding event based around shredding a one-of-a-kind custom setup with no rules on how to find the right line.

Anton's Terrain Park in the Central Spur area will be transformed into a unique combination of hand-shaped bowls, hips, spines, berms and transitions where the best of the best can surf the snow. Think giant skate park bowl with huge mounds of snow and the best riders catching air, carving berms and going radical.

The event, presented by Snowboy Productions, Thredbo, Quiksilver, Libtech and Modest Eyewear is sure to have the local snowboarders etching to see the setup which has been described as much

more than just a snowboarding event.

Holy Bowly has become an annual international gathering of riders who all share the true stoke of snowboarding, and the design crew who show their creativity style with the interesting setup.

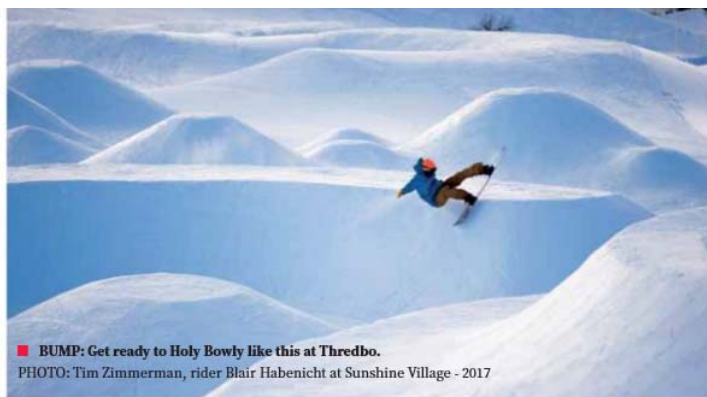

Great news for everyone else who wants to try their own hand at Holy Bowly is the course opens for public shredding on the weekend of September 14-15 after the event.

Here you and your mates can ski and snowboard the entire set up and test your own skills all you want on the Saturday and Sunday alongside the best athletes in the world.

Don't think all the action is refined to the slopes as there's just as much après action throughout the entire week with a jam-packed schedule of parties, live concerts, pro rider signings, art exhibitions, talks, movie screenings plus more.

You can find all information on the Thredbo website at [thredbo.com.au/](http://thredbo.com.au/) events.

## HOTHAM (extracted from [hotham.com.au](http://hotham.com.au))

## EARLY SEASON ACCESS

With 87cm of snow in the last 10 days, Hotham is set to have the best Opening Weekend since 2000. We're so excited by the snow conditions that we'll be opening a day earlier and will have Audi Quattro spinning this Friday.

The good news continues with Hotham also opening early on the 7<sup>th</sup> June. There has been significant falls over the last week right across the east coast ski fields putting down a nice base for more natural and artificial snow.

As mentioned earlier, Hotham is now part of Vail Resorts. Vail Resorts has a track record of investing in resorts, so we are looking forward to improvements in the years to come.

# New developments for 2019 Hotham

WITH the quiet green season dramatically giving way to another exciting, powder-filled winter at Hotham, the mountain is going to new levels to improve visitors' experiences.

A new mountain app, a new backcountry festival and tours, the prospect of grilled cheese in a heated tipi, and James Bond-level accommodation are just some of the new developments.

Here's just some of the latest news from on-mountain:

## ● Upgrade with the latest snow tech

Hotham provides the newest and latest mountain tech as it introduces a new mobile App.

Created by Wearlynx developers from the US, you can track every run, speed and vertical kilometres ridden.

From finding friends with instant resort tracking to being

sent live snow conditions and status updates, the app is a must have upgrade.

## ● Brockhoff Hut now a must find on the slopes

Perched amongst the action of Hotham slopes, the unassuming stone hut has been transformed to be the home of heart-warming meals and celebratory toasts to the snow gods.

Riders can now have the ultimate ski in, ski out food stop with deck views.

## ● Redefine comfort zones with Hotham's backcountry tours

The best spots are not always marked on a map, and this season Hotham introduces guided tours into its renowned backcountry terrain.

Let the adventure continue with clinics and workshops at Victoria's Backcountry Festival on September 7 and 8, 2019.

## ● World-first student media centre at Hotham

Nikon and WorldStrides have taken collaboration to new heights with a world-first student media centre at the top of Hotham. A new Nikon Media Centre will create an innovative video experience for students travelling on a WorldStrides educational snow tour.

## ● Cheese feast - Raclette Lunch

Alpine Nature Experience's team invites you to a cheese feast like no other! Grill a half wheel of French cheese and scrape the melted goodness on baked potatoes, all accompanied by delicious charcuterie, smoked meats and a selection of wine and craft beer. Held in the heated tipi at Alpine Nature Experience's ecovillage and includes a guided snowshoe tour.

**STONE HUT:** The Joyce Brockhoff Hut has been revamped into a food and drink destination, perched in the action of the Hotham slopes.
