
ST GEORGE ALPINE CLUB LIMITED – DIRECTOR NOMINATION

One of the greatest gifts my parents gave me as a young child was the opportunity to ski. The passion of skiing brought into our family has helped inspire within me a lifelong desire to continually improve myself, always pursue my passion, and contribute my experience and expertise to benefit others.

Skiing isn't just a sport, it's a lifestyle, one to be enjoyed with likeminded people, such as families who are members of St George Alpine Club. The St George Jindabyne and Hotham Lodges have been a big part of my and my family's lives, and I am very keen to give back to the Club, making a positive impact and difference for all members to enjoy the facilities at both lodges – at any time of the year.

I am a motivated, successful and outcomes-focused professional with:

- ³ broad business leadership and management expertise
- ³ strategic visioning and planning experience
- ³ excellent interpersonal and relationship building skills
- ³ strong problem solving, troubleshooting and collaboration capabilities, especially between parties with divergent needs, opinions and positions.

I would welcome the opportunity to join the St George Alpine Club Board as President and apply my broad and deep professional experience to the benefit of the club, its members and its visitors. While preserving the long heritage of the club, I would focus on ensuring the club is well positioned to anticipate and meet the current and future needs of its members.

Board and Management Competencies:

Leadership demonstrated by:

- ³ Portfolio and project management and deliver of large scale, multi-million dollar projects (\$5-\$79 million)
