12. Hotham Kitchen Replacement – As reported at the 2023 and 2024 AGMs, a project was commenced to replace the aging kitchen at Mt Hotham. A committee was formed to prepare designs for the new kitchen, with a view to improving the overall functionality of the space and updating the hardware and appliances. A final design has been agreed by the Board and quotes were obtained from two sources. The successful tenderer was Bunnings Hardware with their Kaboodle Kitchens products, with some upscaled items such as tapware, hinges, and drawer runners. Unfortunately, the final decision was not able to be achieved to allow installation before the 2025 season, and the works have been postponed until after the close of the 2025 season. A deposit has been placed with Bunnings to secure the pricing until later this year.

- a. There was some discussion around the design and the number of quotes canvassed.
- b. The meeting decided that the final design and the comparative costings of the two offers should be posted on the club website. Secretary to expedite.

13. Transact any other business brought forward in accordance with our constitution.

- a. Nothing raised
- b. Meeting Close - 8:13pm
